As a member of the Business Coalition, your membership includes the following benefits:

Cooperative Advertising: Coalition members have their names on all print and internet marketing items. The Coalition jointly promotes Pearland Farmer's Market, and Coalition members have their names on all collateral and internet marketing for the market.

Façade/Sign/Plat/Construction Grant Programs: Businesses physically located in the district are eligible to apply for improvement grants from a revitalization fund totaling \$124,000 annually.

City Legislative/Project Monitoring: As a member, you can play an important role as an advocate for new projects and programs benefitting the district such as road construction or rehabilitation, decorative lights, landscaping, and other aesthetic improvements.

Quarterly Newsletter & Website: Benefit from news, meeting schedule, information, and announcements concerning the district and current projects and initiatives.

Enrollment in the City of Pearland Vendor System: Doing business with the City of Pearland is easier when you're a registered vendor. By joining the Coalition, we will assist your business in filing vendor paperwork and connecting you with business opportunities.

Monthly Meetings: The Coalition meets monthly, and helps to submit project ideas to Pearland Economic Development Corporation for code changes, code enforcement issues, and long range planning for the district. The monthly meetings are also an opportunity to meet your neighbors and work together in many other ways.

When you join the Pearland Old Townsite Business Coalition, you become part of a network of businesses and individuals working in all aspects of protecting and revitalizing Pearland's historic district!
